

Student Manual 2019–20

EB is designed to enhance students' thinking skills, real-world knowledge, and language proficiency through the use of authentic English in genuine contexts. With 13 levels of difficulty, EB aims to help students not only improve their English language skills but also forge an enlightened and global consciousness in preparation for the challenges of the 21st century.

PC or Mac Users

I. Log in

1. Website: www.wiseman.com.hk

The image shows the Wiseman login page. At the top center is the Wiseman logo, which consists of a stylized human figure with arms raised inside a square, with the word "Wiseman" below it. Below the logo is a login form with two input fields: "Username" and "Password". To the left of each field is a small icon (a person for username, a key for password). Below the password field is a link that says "Forgot password?". At the bottom of the form is a large blue button labeled "LOG IN".

2. Update Personal Information and Password

The image shows the Wiseman user dashboard. On the left is a navigation menu with the EB logo at the top, followed by a user profile icon labeled "student 1", and links for "HOME" and "Support". The main content area has a header "Select Your Level" and "Home". Below this is a message "Please select your level." and a grid of colored buttons for "EB Foundation", "EB Level 1", "EB Level 3", "EB Level 4", "EB Level 5", and "EB Level 6". On the right side, there is a user profile dropdown menu for "student 1" with options for "My Profile", "My Subscription", and "Logout". An orange box highlights the "My Profile" option, and an arrow points to it from a text box that says "Select 'Profile'.".

Reading

School Hours

[1] Do you sometimes wish you didn't have to go to school? There are over 61 million children around the world who would be happy to take your place. That is the number of primary school age children who don't get to go to school.

[2] This is worrying, because in developing countries that are very poor, every extra year a person is in school increases their future income by about 10%.

[3] Girls are the least likely to be getting an education; two thirds of people around the world who can't read or write are women. But it is really important for women to get an education because the children of better-educated mothers

Cuba spends over 30% of its money on education.
